**Treasury to be questioned on dismal audit results  
at Senate Finance Committee Hearing**

- What:** Senate Finance Committee hearing
- Who:** Senate Finance Committee Chair Nancy Cassis, R-Novi;  
State Treasurer Jay Rising; members of the Senate Finance  
Committee
- When:** 1 p.m. Wednesday, Feb. 11
- Where:** Billie S. Farnum Building, Room 110  
125 W. Allegan St., Lansing
- Background:** State Treasurer Jay Rising will testify Wednesday before  
the Senate Finance Committee. He will be asked to explain  
the results of a recent audit that shows nearly \$120 million  
in uncollected and unaccounted for tax revenue. The  
governor has proposed raising taxes as a way to trim the  
state's budget deficit, making this a particularly timely  
discussion.
